

P 01

TEACHING LAPAROSCOPIC SURGICAL SKILLS TO MEDICAL STUDENTS THROUGH A HOMEBUILT SIMULATOR

Author(s): M Haley
Presenter: M Haley
Institution: Peninsula College of Medicine and Dentistry, Exeter, Devon, UK

P 02

CONSENTING FOR LAPAROSCOPIC CHOLECYSTECTOMY: A FULL AUDIT CYCLE

Author(s): P Dimitriadis, S Konstantinou
Presenter: P Dimitriadis
Institution: Royal Berkshire Hospital, Reading, UK

P 03

ALVARADO SCORE IN SUSPECTED ACUTE APPENDICITIS: A FULL-CYCLE AUDIT

Author(s): P Dimitriadis, E Evgeniou, B Soin
Presenter: P Dimitriadis
Institution: Wexham Park Hospital, Slough, UK

P 04

LITERATURE REVIEW OF SEPTATED GALL BLADDER WITH PRESENTATION OF A NEW CASE

Author(s): G Lafaurie¹, N Patel²
Presenter: N Patel
Institution: ¹Heart of England, Birmingham, UK, ²Walsall Manor Hospital, Walsall, UK

P 05

THE MANAGEMENT OF GALLSTONE PANCREATITIS AT A DISTRICT GENERAL HOSPITAL: TORBAY MODEL

Author(s): J Vatish, O Hatton, St Andrews, G Srinivas, N Johnson
Presenter: O Hatton
Institution: South Devon Health Care Foundation Trust, Torbay, UK

P 06

SHORT-TERM RESULTS OF LAPAROSCOPIC MAJOR LIVER RESECTION – EXPERIENCE FROM A SINGLE UK CENTRE

Author(s): R Marudanayagam, T Sibartie, R Sutcliffe
Presenter: R Marudanayagam
Institution: Queen Elizabeth Hospital Birmingham, Birmingham, UK

P 07

A NOVEL LAPAROSCOPIC APPROACH IN THE MANAGEMENT OF CAECAL PERFORATION SECONDARY TO CAECAL POLYPECTOMY WITH LITERATURE REVIEW

Author(s): N Merali, A Hussain
Presenter: N Merali
Institution: Princess Royal University Hospital, King's College Trust, London, UK

P 08

RISK FACTORS ASSOCIATED WITH HARTMANN'S POUCH STONES

Author(s): A Musbahi, A Mirza, A Nassar
Presenter: A Musbahi
Institution: Department of General and Biliary Surgery, Monklands Hospital, Airdrie, UK

P 09

SAFETY OF LAPAROSCOPIC SUBTOTAL CHOLECYSTECTOMY IN THE DIFFICULT GALLBLADDER, A PROSPECTIVE AUDIT

Author(s): C Benzoni
Presenter: C Benzoni
Institution: NHS Fife, Kirkcaldy, UK

P 10

CHOLECYSTECTOMY IN OBESE PATIENTS: SAFE PROCEDURE, BUT LONGER STAYS

Author(s): A Hayward¹, J Herron², A Mitchell¹, A Gupta¹, A Gilliam¹
Presenter: A Hayward
Institution: ¹Darlington Memorial Hospital, Darlington, UK, ²University of Nottingham, Nottingham, UK

P 11

READMISSIONS AFTER ELECTIVE PROCEDURE: ARE THE PENALTIES JUSTIFIED?

Author(s): J Hornsby, M Tabaqchali
Presenter: J Hornsby
Institution: University Hospital of North Tees, Stockton, UK

P 12

IS MESH FIXATION NECESSARY DURING LAPAROSCOPIC TRANSABDOMINAL PREPERITONEAL (TAPP) HERNIA REPAIR? – A SURGEON'S 6 YEAR EXPERIENCE AND LITERATURE REVIEW

Author(s): L Massey, D May, I Finlay
Presenter: L Massey
Institution: Royal Cornwall Hospital, Truro, Cornwall, UK

P 13

DOES WARMED HUMIDIFIED CARBON DIOXIDE IN LAPAROSCOPIC SURGERY REDUCE POST-OPERATIVE PAIN, USAGE OF ANALGESIA AND HOSPITAL STAY? A SYSTEMIC REVIEW

Author(s): J Mutwiri¹, B Alaraimi^{1,2}, B Patel^{1,2}
Presenter: J Mutwiri
Institution: ¹Barts Cancer Institute, Queen Mary University of London, London, UK,
²Academic Department of Upper GI Surgery, Royal London Hospital, London, UK

P 14

THE REVOLVING DOOR: FACTORS AFFECTING LENGTH OF STAY AND RE-ADMISSION FOLLOWING EMERGENCY APPENDICECTOMY AT A LARGE DISTRICT GENERAL HOSPITAL

Author(s): P Chaichanavichkij², R Walker², S Mercer¹
Presenter: P Chaichanavichkij
Institution: ¹Queen Alexandra Hospital, Portsmouth, UK, ²St. Mary's Hospital, Isle of Wight, UK

P 15

THE SAFETY AND EFFICACY OF LAPAROSCOPIC DISTAL PANCREATECTOMY - EARLY EXPERIENCE IN A TERTIARY HPB UNIT

Author(s): D Bartlett, D Mirza, J Isaac, P Muiesan, K Roberts, R Sutcliffe, R Marudanayagam
Presenter: D Bartlett
Institution: The Liver Unit, Queen Elizabeth Hospital Birmingham, Birmingham, UK

P 16

REVISITING THE WORKS OF GEORG KELLING: PIONEER OF EARLY LAPAROSCOPY

Author(s): P Jones
Presenter: P Jones
Institution: Ninewells Hospital, Dundee, UK

P 17

DIAGNOSTIC LAPAROSCOPY IN ACUTE RIGHT ILIAC FOSSA (RIF) PAIN: TO TAKE THE APPENDIX OR TO LEAVE IT IN?

Author(s): A Sukha, H Packer, M Taylor, S Goodyear
Presenter: A Sukha
Institution: Royal Shrewsbury and Telford Hospital Trusts, West Midlands, UK

P 18

IS ROUTINE GROUP AND SAVE INDICATED FOR DAY CASE LAPAROSCOPIC SURGERY?

Author(s): P Thomson, J Ross, S Mukherjee, B Mohammadi
Presenter: P Thomson
Institution: University College Hospital, London, UK

P 19

RISK FACTORS LEADING TO ANASTOMOTIC LEAKAGE AFTER LAPAROSCOPIC ANTERIOR RESECTION: A SYSTEMATIC REVIEW

Author(s): S Arshed, E Amiraslanov, B Patel, R Navaratnam
Presenter: S Arshed
Institution: Barts Cancer Institute, Queen Mary University of London, London, UK

P 20

LAPAROSCOPIC SUBTOTAL CHOLECYSTECTOMY IS SAFE AND EFFECTIVE WHEN FACED WITH CHALLENGING ANATOMY

Author(s): N Malik, R Evans, A Khan
Presenter: N Malik
Institution: Mid-Staffordshire NHS Trust, Stafford, UK

P 21

TAILORED EXTRA-LEVATOR ABDOMINO-PERINEAL RESECTION FOR LOW RECTAL CANCER

Author(s): Z Oliphant, E Tudor, R Bamford, P Mackay, T Edwards
Presenter: Z Oliphant
Institution: Musgrove Park Hospital, Taunton and Somerset NHS Foundation Trust, Taunton, UK

P 22

LAPAROSCOPIC SKILLS COURSE USING PORCINE BOWEL – AN EFFECTIVE TEACHING METHOD FOR LAPAROSCOPIC SURGERY

Author(s): C El-Sayed, MJ Hwang, M Green, B Burnett, P McCullough
Presenter: C El-Sayed
Institution: University Hospital Coventry and Warwickshire, Coventry, UK

P 23

LEARNING TOTAL EXTRAPERITONEAL GROIN HERNIA REPAIR AND ACHIEVING COMPETENCE

Author(s): H Souka
Presenter: H Souka
Institution: Diana Princess of Wales Hospital, Grimsby, UK

P 24

3-CYCLE AUDIT LOOP: RATIONALISING ROUTINE GROUP & SAVE REQUESTS FOR PATIENTS WITH RIGHT ILIAC FOSSA ABDOMINAL PAIN

Author(s): Z Oliphant, E Tudor, G Dovell, L Hunt
Presenter: Z Oliphant
Institution: Musgrove Park Hospital, Taunton and Somerset NHS Foundation Trust, Taunton, Somerset, UK

P 25

LONG TERM OUTCOMES OF LAPAROSCOPIC VERSUS OPEN COLONIC RESECTIONS FOR DIVERTICULAR DISEASE IN ELECTIVE SETTING

Author(s): B Ip, J Ma, D Ziyaie
Presenter: B Ip
Institution: NHS Tayside, Dundee, UK

P 26

IS THE NEGATIVITY RATE OF LAPAROSCOPIC APPENDICECTOMIES ON THE INCREASE?

Author(s): A Sukha, H Packer, M Taylor, S Goodyear
Presenter: A Sukha
Institution: Royal Shrewsbury and Telford Hospital Trusts, West Midlands, UK

P 27

LAPAROSCOPIC NISSEN FUNDOPLICATION WITH MINIMAL MOBILIZATION AND WITHOUT CRURAL REPAIR IN PATIENTS WITHOUT HIATUS HERNIA

Author(s): H Khokhar, M Kazanowski, W Fahmy, B Meshkat, T Walsh
Presenter: H Khokhar
Institution: James Connolly Hospital, Blanchardstown, Dublin 15, Ireland
