

REGISTRATION & FEE INFORMATION

ALSGBI LAPAROSCOPIC SURGERY TRAINING DAY

WEDNESDAY 8 NOVEMBER 2017 AT WIMAT

(THE WELSH INSTITUTE FOR MINIMAL ACCESS THERAPY)

This course is aimed at both colorectal and upper GI surgical trainees and applicants are expected to state their sub-speciality, their current level of training at application and any specific individual training requests they may have for this rare opportunity. Early applications and with strong evidence of a commitment to laparoscopic surgery will be an advantage in a competitive application process. Places will be limited and are expected to go very quickly. The course promises to be a unique training opportunity. Contact jtreglohan@alsgbi.org initially for an application form.

Applicants must be ALSGBI Trainee Members and registered for the 2 day ALSGBI Annual Scientific Meeting. There is no additional fee for the Training Day.

Visit <https://surgicalmembershipportal.co.uk/ALSGBI/member-area/Web-Joiner/> to become a Trainee Member today.
