### **3. Membership Benefits**

Membership provides access to a range of professional benefits, including:

- Reduced registration fees for the ASM and other ALRSGBI educational events
- Access to members-only content and resources
- Networking opportunities within the ALRSGBI community
- Eligibility for awards, fellowships, and committee participation (subject to category)

#### **4. Attendance at the Annual Scientific Meeting**

- **Registration Requirement:** All ALRSGBI members including Honorary Members, are required to register in advance for the ASM.
- **Payment Requirement:** Attendance at the ASM is not included in the cost of membership. All categories of members, including Honorary Members, must pay the appropriate registration fee in order to attend.
- **Non-Members:** Non-members are welcome to attend the ASM upon registration and payment of the applicable non-member fee.

#### **5. Rationale**

The ALRSGBI Annual Scientific Meeting (ASM) is the Association's flagship event, designed to deliver the highest standards of surgical education, innovation, and research dissemination. It represents a significant undertaking, requiring substantial investment in venue hire, technical support, educational resources and programme development.

Registration fees are an essential contribution to meeting these costs and ensuring that the ASM remains financially sustainable, independent and accessible to all members.

Requiring all members — including Honorary members — to register and pay the applicable fee upholds the principle of fairness across the Association. It recognises that the benefits of attending the ASM, such as access to expert speakers, cutting-edge surgical updates, and unrivalled networking opportunities are shared equally by all attendees.

By maintaining this policy, the ALRSGBI safeguards the quality and integrity of its Annual Scientific Meeting to ensure its continued growth and reinforces its commitment to providing world-class educational opportunities for the surgical community.

#### **6. Exceptions**

- **Invited speakers who are not ALRSGBI members** will be granted complimentary registration and conference dinner, hotel accommodation for a maximum of two nights and travel expenses (please see expenses form for full details).
- Invited faculty, panellists, moderators and chairs should be ALRSGBI members and therefore expected to register and pay. Any invited faculty, panellists, moderators and chairs who are not ALRSGBI members will be considered on an individual basis.
- Any other exemptions must be approved in writing by the ALRSGBI Executive.

#### **7. Implementation**

This policy applies to all ALRSGBI events from 2025 onwards. It will be reviewed periodically by the ALRSGBI Council to ensure fairness, sustainability, and alignment with the Association's objectives.
